the story of a first love

秋★枝(アキエダ)と申します。

締切日当日のお昼です
残り2枚　イラストがラフ段階という　_(3」∠)_

A'sの劇場版を観るにあたり　TVシリーズを観直していた所　なのは漫画が描きたくなってコンテを切りました。
が　劇場版を見たらうっかりリンディさんとアルフにときめいて、2/3ほどそれを修正するという事態に。

最初はアリシアとフェイトがメインだったのですが　アリシアは劇場版が可愛すぎてギャグを入れる余地が無くなってしまったという。
(TVシリーズ終点で　茶化せる感じでもなかったですが)

このページの背景に使っているのが　そのポゾラフです。

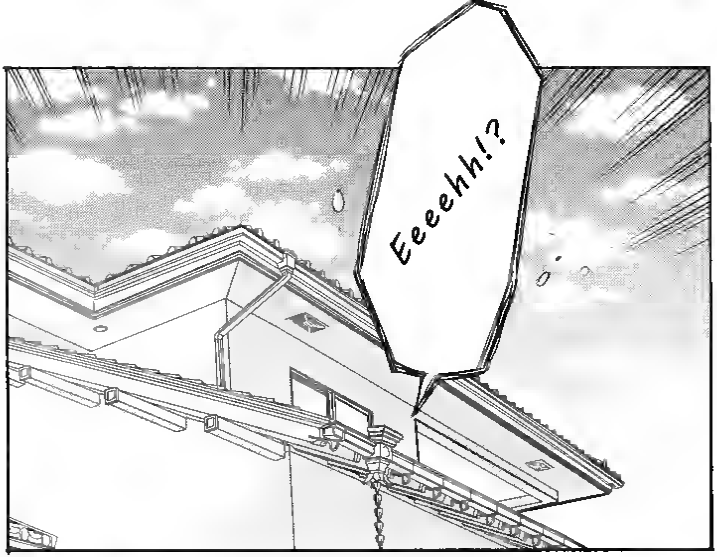
Hey Nanoha...
Umm...
Well...
What's the matter, Fate-chan?
All of a sudden...
In order to become friends, calling out their name would be fine, right?
That's right!!
Then,
In order to become lovers...
What should I do?

This is kind of unexpected
I... see.
Yes.
Ye
You have someone you like!?
Eh !!!!
Nanoha's Lover!
Want to become

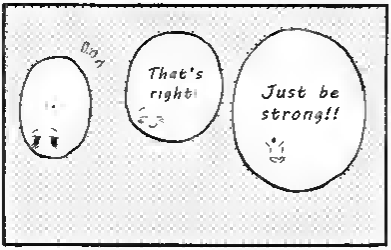


Eeeehh!?

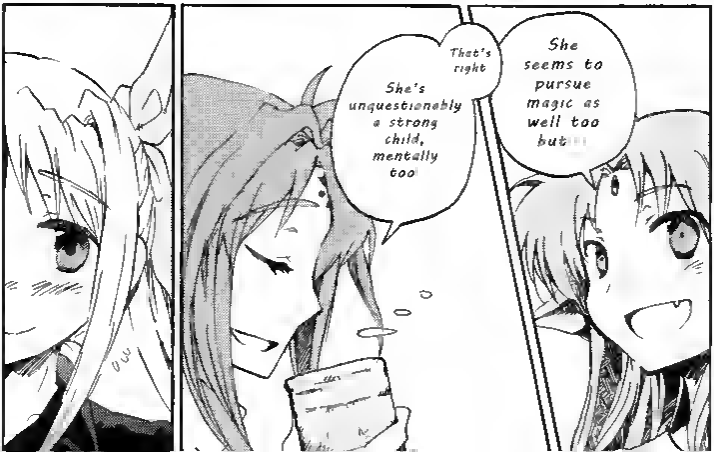
the storm of a first love

Good luck, I hope you can get your feelings across!
y... Yes.

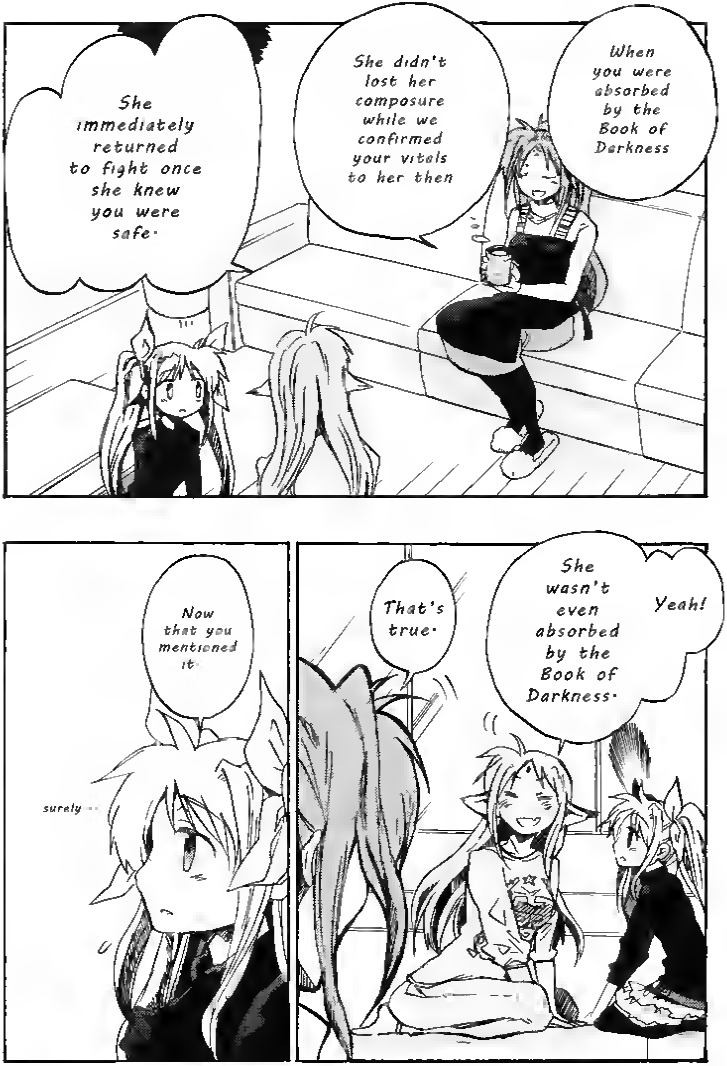
then I will entrust Fate-san to her.
My mind can be at peace if it's Nanoha-san
You're amazing Fate!
Thank you Arf
Wahaha



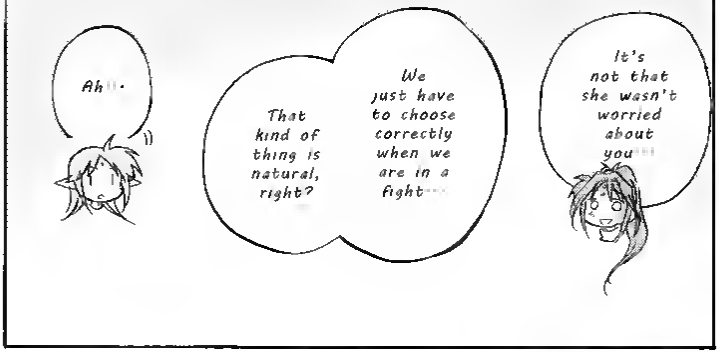
That's right
Just be strong!!



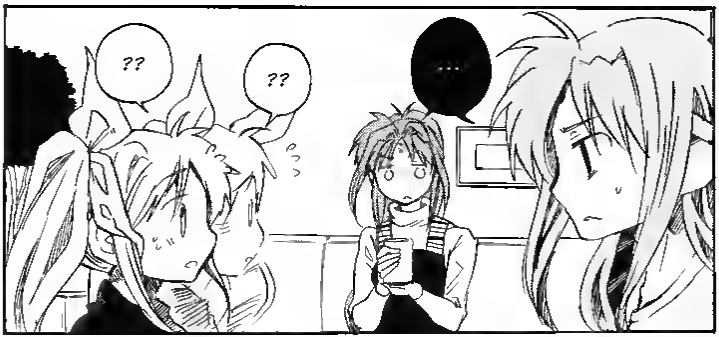
She seems to pursue magic as well too but
That's right
She's unquestionably a strong child, mentally too



She immediately returned to fight once she knew you were safe.
She didn't lost her composure while we confirmed your vitals to her then
When you were absorbed by the Book of Darkness
Now that you mentioned it...
surely...
That's true.
She wasn't even absorbed by the Book of Darkness.
Yeah!

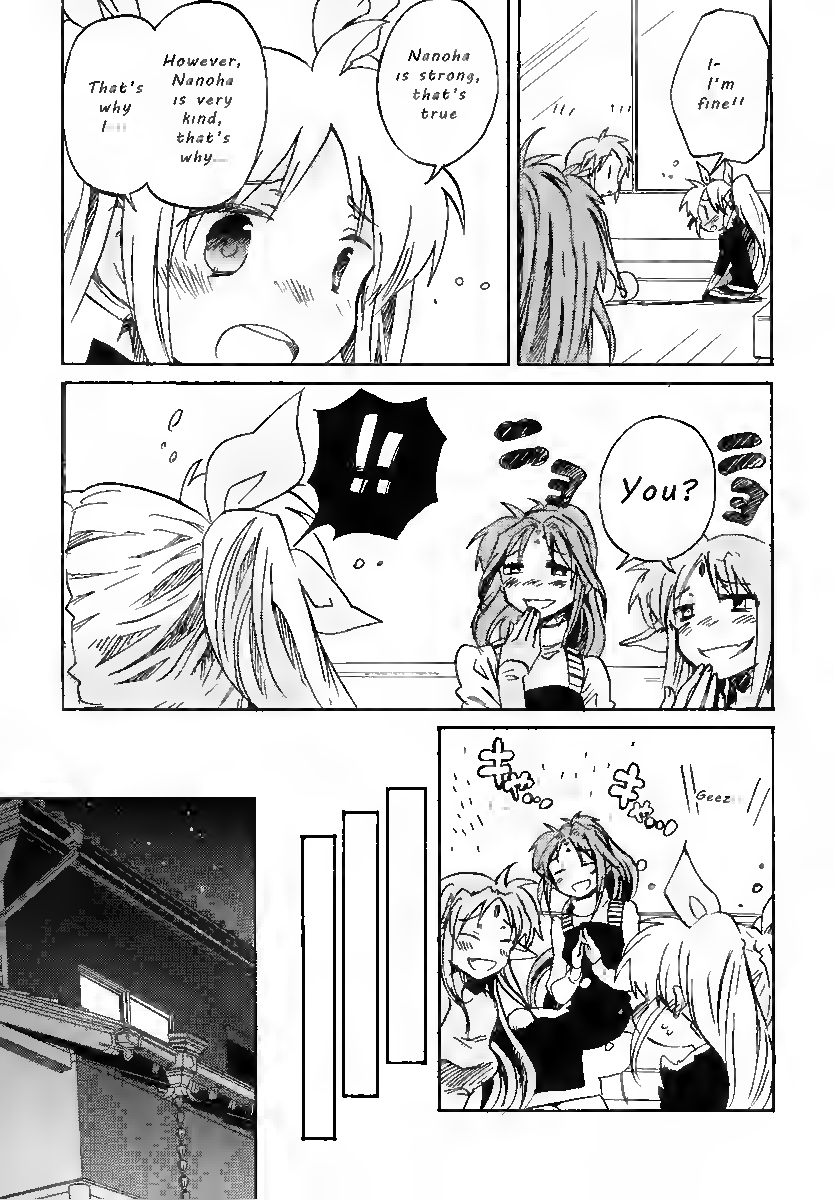


Ah!!
That kind of thing is natural, right?
We just have to choose correctly when we are in a fight…
It's not that she wasn't worried about you!!



??
??
…

!!
Suddenly we're worried…



That's why I...
However, Nanoha is very kind, that's why...
Nanoha is strong, that's true
I-I'm fine!!
!!
You?
Geez...

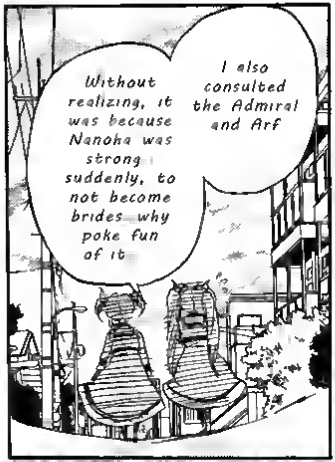
I... What should I do?
...is what she said
What to do...
...
Uhmm... Uhmm...
Uh...
I really like Fate-chan but...
Lover...?
What's necessary is just to kiss.
A kiss should be fine?

It is clear that you love her
Eh!!
Love again!?
Eh!?
ANYONE CAN OBVIOUSLY SEE THAT YOU LOVE HER.
Love!?
Ki..
Eh!!
Kiss!?
not necessary to waver if you love
IF YOU LOVE HER, THERE'S NOTHING TO WORRY ABOUT, IS THERE?
I don't really know what to do—!!
Uh—
SOTTY
COMBAT GENIUS
Lo
LOVE!?
What's wrong? Nanoha...?
...?
Fa-
Fate-chan!!

I thought about it all night but I really don't understand
It
I'm sorry

Th
The way to become lovers... but
Ye... Yes.

I'm Sorry Fate-chan
You too?
I see!



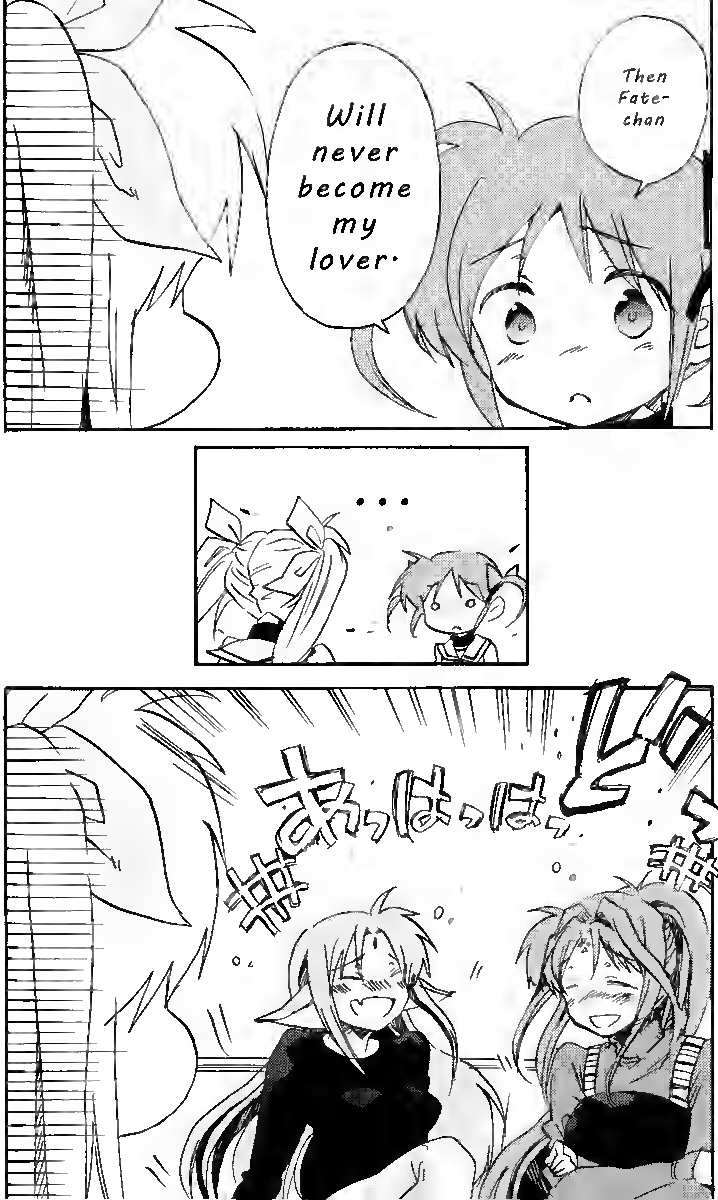
I also consulted the Admiral and Arf
Without realizing, it was because Nanoha was strong suddenly, to not become brides why poke fun of it

You did listen to something weird coming from me Sorry
Don't be

Yeah
It's complicated though

And then I got lost in the...

I don't like where this conversation is going
Heh—···
!!
···?
Nanoha really prefers to fight for the conversation than talking
I don't·
You do·
What's wrong?
All of a sudden
Nothing
I wonder if I have to win first
in order to become Nanoha's lover
Just kidding~
Eeeeeeh!?
あーっ



Then Fate-chan
Will never become my lover.
...
あっはっは!

...
That day
I had my first fight with Nanoha
?
I also had a fight with...
Admiral Lindy and Arf.
We're Sorry~
...
Sorry Fate~

...
Then that person will be your lover!!
That's right!!
By then, I think, that will be the time to say that you are lovers
The time will come that the feeling will be mutual
!...
A confirmed yes is still the best though!!
うん
Yeah!! That's right!!
うん
Really?
!!
However, the answer to my question—
Sorry
Go with the flow
With what the Admiral and Arf have taught me
I think it's a good thing

Admiral Lindy and Arf ... taught me.
Yes.
The method to become lovers!?
You know ...
The next day
Eh!?
What do you ... have to do?
That's ... a secret.
Just for a bit... I've been mean to Nanoha.
Eh!!

Until you can tell me the story!!
Then I might have to use brute force
...!!
This will happen
I knew that
I'm serious!!
I know
!!
O~kay~
